

European White Elm

Ulmus laevis

The magnificent elm in the center of the West Lawn of Roanoke Park was planted around 1910, shortly after the 2.2-acre property on which the elm stands was transferred to the Seattle Parks and Recreation Department in 1908.

European White Elms are closely related to the American Elm. There are many planted in Seattle. This Elm has witnessed generations of neighbors strolling through the park or hood baseball games

Dedicated August 26, 2003 as a specimen Heritage Tree.

Owner: Seattle Parks

Address: Roanoke Park

Location: West side of Roanoke Park; across from St. Patrick's church
